Please complete this form and return it to Village of Hammond

The Village of Hammond - Utility Billing department is now offering a paperless option to its customers. Instead of receiving a paper bill, you can sign up to receive your water/sewer bill electronically via email.

The Benefits of an E-bill:

- The service is absolutely free
- You will receive your bill wherever you may be, avoiding a mail delay
- Paperless billing saves trees, energy and resources
- It will help keep costs down

The E-bill will be identical to the bill normally mailed to you – it will be emailed out on or before the 1st of the month, due on or before the 20th of the month. Your electronic copy of your Utility bill will come from “Village of Hammond”, the subject of the email will be “Your latest Village of Hammond Bill is now available”.
